PROTECTION. SAFETY. SPEED.

WHY CHOOSE ASHBURN?

Create a production edge: Increase tool life, grow operational efficiency, minimize downtime, get the job done faster and more predictably.

Protect the business: Have cleaner machine tools, sumps and workspaces, increase operator safety and meet regulatory requirements.

Grow customer satisfaction and loyalty: Produce and deliver a higher quality product, more quickly and cost effectively than ever before.

Have a smarter operating environment: Better decisions based on information, analytics and insight designed to drive performance and safety.

FLUID360® SOLUTIONS

The industry's most comprehensive fluid products and services delivering 360° of metalworking protection, safety and speed to production, tooling, people, metals and work environments, since 1968.
